

## SUGGESTIONS FOR SPONSORS

Here are a few suggestions for recruitment that should increase your effectiveness, help you properly interpret Emmaus, and effectually help in sharing God's grace as a sponsor.

**First**, when you are talking to a married person, we suggest you talk with both husband and wife. We want both husband and wife to make the decision together. Their application should be turned in together.

**Secondly**, to assure the applicant you are personally interested in their attending, make plans to bring them to the Emmaus site for Send-off. Your bringing them, helping them with suitcases and registration, and sharing in the Send-off is a form of prayer and sacrifice.

**Thirdly**, during the weekend you and your family become a substitute for the candidate. Leave your phone number with their spouse. Do something special for them during the weekend, like giving them a few hours out during the day for personal time. Share a meal with them. Let the candidates spouse know that you love and care for them.

**Lastly**, you have responsibilities to the candidate. Pray for him/her during the weekend. Write him/her letters of prayers and sacrifice. And support your candidate with your presense at Candlelight (Saturday, 8:30 pm) and Closing (Sunday, 4:30 pm)

Remember, the walk to Emmaus is not for everyone. Three days cannot rectify every problem marriage, enthuse every disenchanted church member, or make saints of sinners. The walk to Emmaus is designed to change environments through Christian leaders. Candidates should know where the ladder is, if they are not already climbing it. We do not need just any candidates, we need the best.
