Sponsor Me!

Did you have a Wonderful, perhaps Life Changing experience on your walk? I did! After my experience I wanted everyone I knew to be able to attend an Emmaus weekend as well. I quickly learned that when sponsoring others not “EVERYONE” is at a spiritual place in their life that would allow them to benefit from such an experience.

Our community now insures that everyone receives a “Sponsorship” booklet in their pilgrim packets when they leave their Emmaus weekend. In this booklet it outlines all the things that help identify the best candidates to sponsor. If I would have had this information earlier I could have been such a better sponsor myself. These “Sponsorship” booklets are now available “FREE OF CHARGE” to any community member. Our leadership understands the importance of good sponsorship and that it’s the foundation of a thriving community. Please, if you have the “Sponsorship” booklet read it. If you would like to get one let us know. We try to have some available at the monthly gatherings for those that wish to have one. They make GREAT reading for reunion groups as well. I thought I was an experienced sponsor after 10 + pilgrims only to read the booklet and discover things that make sponsorship so much more effective. I will give more specifics in up-coming newsletters and hope to share some helpful hints.
