WALK TALK

Newsletter for the Chattanooga-LaFayette Emmaus Community.....May 2025

From Jean Davis, Community Lay Director

Hello Community! The past month has been an interesting one for me personally. I have had a couple of health-related occurrences that have left me feeling less than optimal. These issues have certainly not been life-threatening, but I have not been feeling my best.

Through this season in my life, I have become more dependent on the love and comfort of the Father. I'm sure many of you know what I am talking about. Our Father is so loving and constant in our lives if we seek Him and ask. And, as many who know me know, I frequently talk about the importance of asking. For a long time, it was uncomfortable for me to ask for anything from anyone. I don't really know where that came from but as a middle child, I was always the one who would keep peace and I thought that asking for things would not be the peaceful thing to do. But I have learned that asking is just the thing that our Father wants us to do. It helps him know you and it helps us to see His loving nature. And, at least for me, when you are in His presence, the answer isn't always the thing that comforts or answers our prayers. He is the answer. He, and the fact that he knows us and is the King of the Universe and wants what is best for us – can actually do what we need! After asking, then we trust! And then rest in that fact with faith!

I hope that for all of you. In whatever season you are in, seek the Father, ask Him for what you need and His presence, and then trust that He will be with you and never forsake you.

Our Fall walks are: Men's – September 25-28; Women's – October 2-5; Chrysalis – October 16-19. Begin, now, praying for the teams that will serve on these walks, as well as the pilgrims who will be on the walks. Think of who you can sponsor, too. The applications for all the walks are on the website – www.clemmaus.org.

Decolores,
Jean
